

SALVAVISION DESIGN MANUAL

To make things easier for everyone we've compiled all of our design resources here. We have three basic color schemes with premade lockups (logos combined with text) for you to use in your designs along with a few more resources.

Blue: #2152A0

Yellow: #FFDB14

We use the font family "Arial" Download it here: <https://www.salvaision.org/wp-content/uploads/2020/08/arial-sv.zip>

For photos and other public domain media resources: <https://www.library.international/tag/salvaision/>
